

Saint Andrew's commitment to developing the whole student is amply displayed in the distinguished careers of its graduates. Our alumni are employed around the world and across all sectors. They are in business, not-for-profit organizations, the arts, government agencies, research institutions, and entrepreneurial enterprises.

Our Graduates

Nothing better represents the unique qualities of a Saint Andrew's Episcopal School education than its graduates.

We strive to help our students find the 'best fit' high school for the next step in their educational journey. We help them discover and apply to schools in which they have the potential to thrive. From local to across the country, day schools to boarding, Catholic, independent and public, for more than 45 years, our students have continued their education at the top high schools all across the country.

Here is a snapshot of the high school matriculations over the past few years:

Santa Catalina School

High School Matriculation 2013-2017

| HIGH SCHOOL | # ATTENDING |
